- Traditional installation, sanding and finishing process
- 6 colors to choose from (3 Natural & 3 Coffee)
- Can be stained during installation process
- Square edges
- 50 year warranty on delamination
- Perfect for radiant heat installations

**AVAILABLE COLORS**

There are natural variations in the bamboo, so all color selections should be considered approximate and not exact matches. Color samples are only shown here in horizontal boards, but are available for vertical products as well. Variations in color are likely to occur when viewed over the internet, please contact our office for color samples.

All flooring can be custom stained to your color selection. Minimum order quantities apply.
